

MEMORIAL (2010-02)

Subject: *Lutheran Science Institute*

WHEREAS 1) the Lutheran Science Institute Journal and blog are devoted exclusively to the geology of Flood-fossil catastrophism as sold by the Morris ICR and Ken Ham's museum; and

WHEREAS 2) the Wisconsin Ev. Lutheran Synod's Internet site identifies the LSI as a WELS-related organization; and

WHEREAS 3) the February-May 2009 issues of our WELS voice, Forward in Christ, opposed Darwinian evolution without any reference to the claims of the Morris ICR or Ken Ham's people, while also clearly suggesting the possibility that the fossils of the geologic record could have been part of God's original creation; therefore be it

Resolved, a) that the Presidium of our WELS Minnesota District, in consultation with our WELS Council of Presidents, ask the men of the LSI to give fair and equal time to a reasoned discussion of the credibility of a created fossil geology; and be it finally

Resolved, b) that the LSI arrange with "WELS Q&A" for sufficient notice of this change to be given to the public.
