Brothers in Christ-

"How good and pleasant it is when God's people live together in unity!" (Psalm 133:1).

Greetings from the Arizona-California District! We cherish the bond of faith that unites us together in Christ, along with our partnership in the Gospel. It is our prayer that the Lord edify each and every one of you through worship and study at your upcoming conventions.

The Arizona-California District is planning to meet June 10-12, 2024 at the Embassy Suites in Scottsdale, AZ. The theme of our convention is *Embrace the Cross, Anticipate the Crown*. Prof. Luke Thompson (professor of History / Social Science and Theology at Martin Luther College) will deliver the keynote address, *Direction Not Perfection: A Lutheran Approach to Spiritual Care*.

May the Lord bless your time together. And may we all honor God in our district and local ministries for the good of His kingdom!
