Dear brothers in Christ in WELS,

Please accept the greetings of your brothers in the Western Wisconsin District. God's blessings to your District as you carry out His work under His guidance and care.

The Western Wisconsin District is meeting at Luther Preparatory School in Watertown, WI on June 8-9, 2026. The theme for our convention this year is *"We Have this Treasure in Jars of Clay,"* taken from the encouragement of St. Paul in 2 Corinthians 4:7. Four presentations will guide our discussions as we seek to encourage both Called workers and lay leaders alike about the treasure of the ministry of the gospel as carried out by the partnership between public ministers and congregations.

May the Lord of the Church guide and keep all of you as you travel, meet, elect, and study. May all we do in our Districts this year build God's Church and, above all, give Him glory!

God's grace be with you all,
