

Committee No. 8
WORLD MISSIONS

Reference: RTD, pp. 113 - 116

Report No. 1

Our committee notes how small the world seems to be getting, and marvels that the Lord allows us opportunities to reach people in our backyard and around the world. We are thankful for:

- 170 men around the world who are being trained to serve in their home country.
- Offerings that support this work around the world.
- The gospel work being done in countries hostile to Christianity.
- The International Student Recruitment position at Wisconsin Lutheran Seminary.
- Technology tools which enhance Latin American outreach.

Reference: RTD, pp. 117 - 120

Report No. 2

The committee also notes the ongoing work of the Joint Mission Council.

- The Joint Mission Council has formed a Global Ministry Committee to explore connections between ethnic groups in the USA and their home countries.
- We are thankful for Multi-Language Publications involvement in producing materials, but note the need for continued development of materials in the Nuer language.
